## WELCOME TO THE ROCKLAND COUNTY RADIO CONTROL CLUB

The members of RCRCC are here for the residents of Clarkstown to help give you a better idea of what this great hobby is all about! The club enjoys the benefit of a premier flying field within our own boundaries. We offer the advice, assistance, and flight instruction to help carry you to whatever level of involvement or achievement you desire!

The approximately 300 members of our club have learned to experience the excitement and thrills of flight through modeling. The wonders of today's technology make the building and flying of radio controlled model aircraft reliable, simple and affordable!

**Sound interesting but not yet ready to sign up as a full member? Become a PATRON MEMBER and enjoy the following benefits:**

- Receive the RCRCC quarterly newsletter
- Attend RCRCC sponsored events.
- Participate at club meetings to tune into exciting R/C topics and demonstrations.
- Access to the RCRCC website to stay updated on club news, events, and fun-flies.

**PATRON MEMBERSHIP IS FREE** and is available to Clarkstown residents only! To sign up, simply fill out the application below and submit it to any club member.
